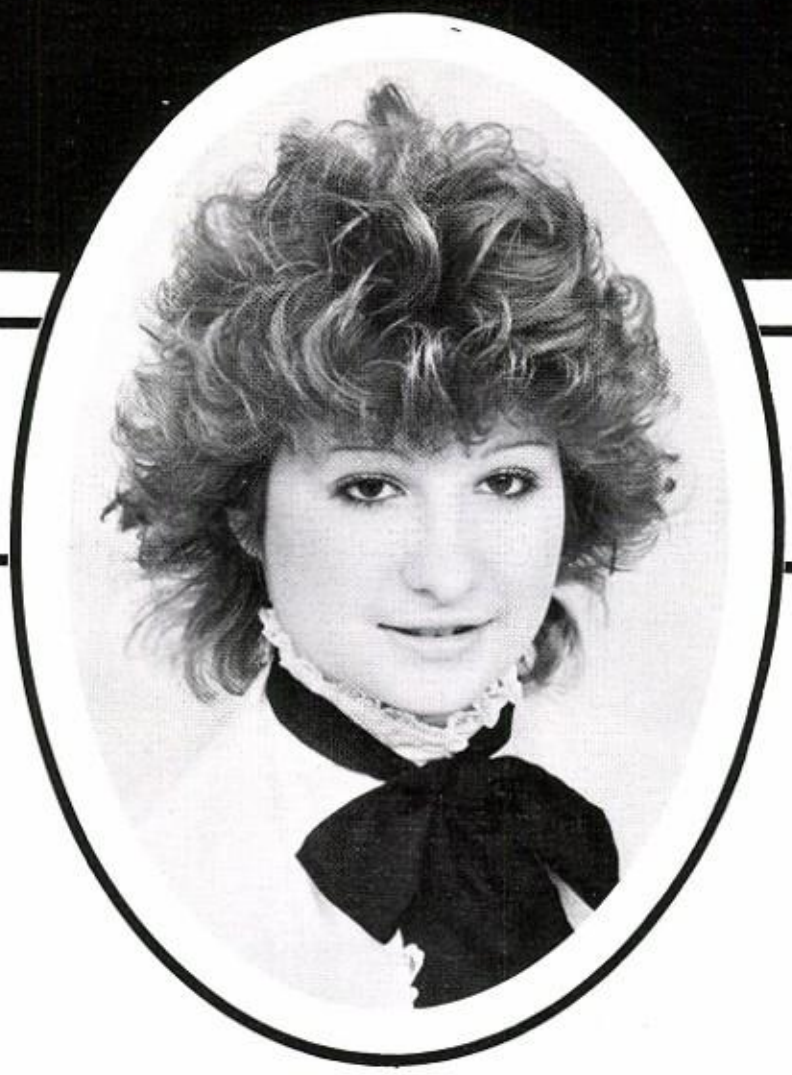
Editor's Message



Another year past; another year closer to the day when we take that final walk down the aisle and enter tomorrow. And, as we live tomorrow, we will all recall the memories of our lives at Harrisonburg High School today. At times, we will need to be reminded of these four years spent at H.H.S. Reminded of how our friends looked, how our school looked and most of all how much they all meant to each of us. "Reflections '86" should be just that: a reminder of these fond memories.

Being the editor of "Reflections '86" has been one of the most important experiences of my life. Our goal was to create a memory book that everyone could be proud of and one that would touch the hearts of many for years to come. This goal would surely have never been possible without the great yearbook staff and advisors. The yearbook staff of '86 was one of the best yet. This group of determined people was willing to go to the extremes for their school. This is a human quality very important, yet very rare, that adds that extra special touch. I would like to thank the staff for all their support and help. You have been the kind of friends that last a lifetime.

Mrs. Kay White was the elementary section advisor. Her time and efforts spent working on the yearbook were very much welcomed. I would like to thank her for all the time she has spent on this yearbook. Only a very dedicated person would take on this responsibility. So to Mrs. White, a very big "Thank You" and compliments on a job well done.

Sometimes the people who work behind the scenes are the ones who deserve the most credit. This statement is definitely true when it comes to our yearbook advisor — Mrs. Annette Mayo. Mrs. Mayo is a woman of great patience, endurance, and determination who will be a great influence upon my life for many years to come. "Miss Annette" has devoted much of her time and energy to "Reflections '86." At times when it seemed impossible to meet the next deadline, she kept going and by some way of fate always seemed to get the job done. And a fine job it was, too. To "Miss Annette" I say "Thank You" for all the work, and for putting up with all the moods that have come about while tackling this great adventure.

Finally, all the work is completed and you, the H.H.S. Student body, have the finished product. As generations pass, our children will be the student body of Harrisonburg High School. And as they grow toward maturity, together, we can then take our "Reflections" out of the bookshelf and be reminded of the days long past in which we studied, played, laughed, cried, and grew up together.

"Leadership Begins in the Heart"

On Saturday, November 16, 1985 five H.H.S. Student Council members — Tongeia Washington, Amanda Richey, Rayelyn Atchison, Kerry White, and Nancy Tiser — along with advisors Mr. and Mrs. Huff set out for Alexandria, Louisiana, the home of the 1985 Louisiana Association of Student Council's Convention. Days before had been spent making a special gift for the convention. Student Council members donated food to put in a decorated box that would be presented to needy families throughout Alexandria. Because of the Convention's theme "Leadership Begins In The Heart," members chose the theme "A Gift From The Heart" for our box.

Upon arriving at Menard High — this year's host school — Mrs. Huff presented the box to the state leaders and registered our school. Then on to our hotel — The Sheraton Inn.

Among the activities that the members enjoyed during the convention were two dances each night, and a formal banquet held Sunday evening. But convention was not "all play." Members attended discussion groups and seminars for suggestions. Topics for discussion groups included school pride, fund raising projects, and small school problems. The seminars included teenage suicide, dating abuse, and death, a part of living.

Overall the 1985 LASC Convention was extra-great! The members had a wonderful time — like when we all embarrassed Mrs. Ronda and Mark in Burger King by screaming "Hi Mom, Hi Dad!" And when we put the "Just Married" sign on Mrs. Huff's (Mom's) door. And like when we all decided to go swimming in the hotel pool. See "Mom" we didn't get the flu like you said we would — just a bad cold for the next week!

Thanks to all the Student Council members for helping with the spaghetti supper that helped pay our way. And to Mr. Mitchell and Mrs. Huff for everything!

The 1986 Harrisonburg Christmas Court Pageant was held on December 9, in the Elementary School Auditorium. Students from the Elementary and High School participated in the annual event. The money raised from the pageant went toward the development of the yearbook. Students competed by grades in which one boy and girl were winners. The Reflections staff would like to congratulate the winners along with the other contestants. All the contestants looked very nice and really represented their school in a prideful manner. Also, thanks to all the parents who helped in the decorations and preparations for the pageant. And special thanks to "Miss Annette" for all the time and devotion on this project. With her guidance, it was surely destined to be a success.
